

# EEV COLLABORATIONS

BES in June 2005

October 19, 2005

Triggers for thought:

Creating a shared vision, personal mastery, team learning, examining mental models, systems thinking and systemic transformation, engagement in constructivist learning actions, EEV Key Elements

Have you reported in your QuickTopic as of September 28 the following?

- As of today - what will be the purpose of your collaboration?
- Who will be your audience?
- Who is in your collaboration group?
- Is your group linked to another group?
- Bullet your first thoughts on *who, what, when, where, why, how* (one phrase for each)

If not, please do so immediately.

For all of you, please update these items IF they are changed. Please report on them in your QuickTopic.

Next:

- What can you envision for mid-December 2005, mid-April 2006, and mid-June 2006? Picture what you would like to have completed.
- Begin a timeline today with milestones in mid-December, mid-April, mid-June.
- Report on these in your QuickTopic between today and Sunday night, October 23.
